PROSPECTUS.

THE MASONIC TABLET.

To be Published at Jackson, Miss

CHAS. T. MCRPHY...... Editor J. L. Power Asso. Editor and Publisher. The want of a Masonic Journal in Mississippi, has been a long-time felt and acknowl-

edged.

There are in our jurisdiction three hundred working Lodges, and not less than 12,000 Masons; and all without an official organ or common medium of intercommunication between the brethren throughout the State. The inevitable result has been that confusionamong the craft has been spread by

the introduction of conflicting opinions and decisions enunciated through the Journals published in other Grand jurisdictions. That this confusion is more the consequence of differences in Grand Lodge Constitutions and Edicts, than of conflicting

views as to the fundamental tenets of Masonry is probably a truth, yet none the less to be depreented. We need an Official Organ and must have one. We should agree upon and establish what we may not be ashamed to eal

Mississippi Mesonry. With the view of accomplishing this object, the undersigned propose to publish a mouthly Journal at Jackson, to be called THE MASONIC TABLET-the first number to appear the 1st of March at \$1.50 per annum in advance, or ten copies for \$12.50, with an extra copy to the getter up of a club of ten or more.

The Lodges, Chapters, Councils and Commanderies in Mississippi are fraternally invited to make The Tabler their organ. Contributions for the same should be addressed to Dr. Chas. T. Murphy, Durant, Miss. Subscriptions, and all other matters of business to J. L. Power, Jackson.

A SWINDLING ADVERTISING AGENCY. Having received a proposition from 'H Hopkins & Co.," 68 Broadway, New York, to do certain advertising for them, we made some inquiries about their reliability, and learned that "the concern is clearly a swindle," We make a note of the fact for the benefit of the press generally.

as alternates. The Release of a Political Prisoner.

It affords us pleasure to state that Mr. Johnny Christy, an Irish and Ethiopian commedian of some note, who was unfortunate enough to be in Meridian at the time of the riot, and who was arrested by the United States authorities on account of his sympathics being with the Democrats, has been released upon ball, after being confined in fail four months. His bail was furnished by citizens of Meridian. What a commentary upon the proclamation by the fathers of this government that this was in all ages to be the refuge of persons persecu-

ted for opinion's sake. Died Suddenly of Heart Disease.

How common the announcement. Thousands are suddenly swept into eternity by this fatal malady. This disease generally has its origin in impure blood filled with irritating, poisonous materials, which cir culating through the heart, irritate its del cate tissues. Though the irritation may a first be only slight, producing a little palp tation or irregular action, yet by and t the disease becomes firmly seated, and is flammation or hypertrophy, or thickening of the lining membrane or of the valves is produced. How wise to give early attention to a case of this kind. Unnatura throbbing or pain in the region of the heart should admonish one that all is not right, and if you would preserve it from further disease, you must help it to beat rightly by the use of such a remedy as shall remove the cause of the trouble. Use Dr. Pierce's Golden Medical Discovery before the dis ease has become too seated, and it will, by its great purifying and wonderful regula-contains medicinal properties which act specifically upon the tissues of the heart, bringing about a healthy action. Sold by all first-class druggists.
